Amy Poirier brought up how she was considering buying the property at the southern corner of Maplewood and Durham. We explained that this property was already sold. She also said she was considering renting the property at the northern corner. We explained to her that there did not seem to be anything to cause a problem with her renting this property and establishing the business she proposed of selling items via internet sales only.

The meeting was adjourned at 7:45 p.m. with a motion by Jason Anderson and seconded by Damion Newton. The next meeting will not be able to be held on January 5th since this is required to be the reorganization meeting for Borough Council. Tom Stinnett will discuss with the Bucks County Planning Commission to see if they think they might be ready to present to the public and Council on January 7, 2025 at the first regular Council meeting or should we consider the 14th.

Respectfully submitted,
Tom Stinnett, Secretary
