Tom Stinnett (Secretary)
Damion Newton

Members Absent:

David Brandes

Others Present:

Ed Bartosiewicz, Frank Preedy, Tony Williams, John Interrante, Vince Rostkowski

Correspondence

None

Old Business

None

New Business

Three gentlemen presented a potential use of the old Lundies store/Diabetic Supply office. The plan is to open an Unplugged Game Shop and they presented us with a business plan (attached). The Borough Zoning Officer had suggested that they should check with the Planning Commission to see if the parking plan arrived at by the Diabetic Supply office was acceptable to continue with. The Planning Commission voted that this would be acceptable and that Tom Stinnett would send a note to the Zoning Officer stating that this would be appropriate.

The Planning Commission then talked briefly about continuing to explore the placement of trees, benches and rain cover over the bench along the trail through the Borough. We decided that three sets of 2 trees, a bench and a cover would be a good start to get started. Damion Newton explained that he was friends with the Easton Arborist and he could have him come down to explore the various spots for trees around the Borough and advise us about the type of tree for various uses and especially on the trail. We agreed this would make sense.

The meeting was adjourned at 7:40 p.m. The next meeting will be held on July 6, 2026 at 7:00 p.m. at the Riegelsville Borough Hall.

Respectfully submitted,
Tom Stinnett, Secretary
